“ATMP Sweden 2023”

ATMP Sweden 2023

The ATMP2030 milieu, with vision to make Sweden world leading in ATMP by 2030, invites you to sponsor our 4th physical annual ATMP Sweden conference, which will be held; 5-6th December 2023, Uppsala Konsert & Kongress, Vaksalagatan 1, Uppsala.

About the Meeting

The conference brings together the Swedish network of ATMP stakeholders, including academics, healthcare, industry and authorities. The meeting aims to stimulate information transfer, collaboration and industry development needed to not only develop novel Swedish ATMPs but to address the commercial aspects of patient access.

Why sponsor

This conference is the primary event of this industry in Sweden so sponsorship of this meeting gives the greatest exposure to these potential collaborators. The conference has several sponsorship packages available.

ATMP Sweden 2023

Sponsorship Conditions

The number of packages available at each level is unlimited. Packages are not negotiable. We ask that cancellations are advised in writing before the 6th November 2023. Sponsorship deadline is 6th November 2023.

Lif Service AB is providing billing services on behalf of atmpsweden.se. Please see the sponsorship agreement from LIF for terms of contract.

The Program

Exhibitor space is open to registrants from 8:30 on the 5th of December till 15:00 the 6th of December. Sponsors have access to set up between 8-8:30 on the 5th of December. The 5th of December the conference program will run from 9:30-17:00 and food and drinks will be provided during the day in the exhibitor space until 21:00. The 6th of December the conference program will run from 9:00-12:00 after which the local Uppsala network will continue with presentations from 13:00-15:00 in the same venue.

Our ATMP Sweden program aims to exhibit an overview on the key aspects involved in the development, manufacturing, commercialization and patient care around ATMPs, highlighting those speakers who have not yet presented in previous events. The program aims to facilitate networking opportunities for both sponsors and delegates.

About ATMP2030

ATMP2030 has established a 'Vision Driven Innovation Milieu' towards the long-term transformation of the systems required for successful development and implementation of advanced therapy gene and cell therapeutic products, Advanced Therapy Medicinal Products (ATMP). Their vision is to make Sweden 'world leading in ATMP by 2030' This project is based on the Vinnova Vision Driven Health program. Stakeholders are welcomed to make contact to participate in the Milieu.

The Venue

The ATMP Sweden 2023 National Conference will be held in Uppsala Konsert & Kongress, Uppsala. The conference centre is walking distance from Uppsala Central Station which is an 18 minute train trip from Arlanda Airport or approximately 30 minutes from Stockholm Central station. The event will be held in the main hall, which seats 300 to 700 people in stall seating, in upper and lower stalls. The chairs in the stalls area are equipped with writing tables.

In the foyer outside the Main Hall there are bars for refreshments. From here there are also magnificent, panoramic views over Uppsala in all directions. The foyer also serves as an exhibition and display area, providing an ideal environment for discussion and networking between sessions.

One floor up on level 7 there are complementary wardrobes and toilets. There is a wheelchair access toilet on level 6.
